

A Landmark Heritage Hotel in Downtown Banff

Perfectly situated downtown in the very heart of breathtaking Banff is the historic Mount Royal Hotel. With its heritage dating back to 1908, the hotel has long been a very important part of visitors' experiences in the majestic Canadian Rockies. Today's modern version of the hotel is still the heart of this incredible destination. The property boasts 135 charming and tastefully appointed rooms ranging from standard, superior, junior suite to deluxe suites – all equipped with the most contemporary amenities. Within the hotel you can enjoy dining in the internationally acclaimed Tony Roma's Restaurant and Lounge, relaxing at the Paddock Pub, and can rejuvenate your spirits in the sauna and whirlpool. Stepping out of the lobby you'll find Banff's world class shopping and restaurants surrounding you.
